

Enroll in DUO

You have to enroll the two factor authentication (2FA) DUO.

The first step in this procedure is that you register yourself in the 2FA system called DUO. For this, login with your PHYSICS account on the WEB-mail, <http://webmail.physics.leidenuniv.nl>

You will now be presented a setup procedure, as show and explained below. Just follow the instructions and you are all set for two factor authentication.

For the time being this will only work for the webmail in order to let you have some experience with the system.

If you have any questions, contact: Helpdesk@Physics.LeidenUniv.nl

Setup Procedure

If you have never enrolled in DUO you will be presented a series of windows displayed below. The first window introduces you to the setup procedure.

Click 'Start setup' to continue to the actual setup.
