

STRW Zoom and UL

Since Januari 22, 2021 the University has a Zoom Business license, currently for Educational purpose only. However, soon the University Zoom License may be used for all communications. Therefore, these two systems STRW and UL need to run side by side for a while.

Unfortunately, Zoom cannot handle the same ID (strw email address) for multiple licenses. Because in the near future the UL Zoom license will be leading, it will hold your STRW email. But since the same email address is connected to the STRW license you need to change that. In fact is is very easy! Since we also own the mail domain @astronomy.nl it is just a matter of changing @strw.leidenuniv.nl into @astronomy.nl.

Change your ZoomID

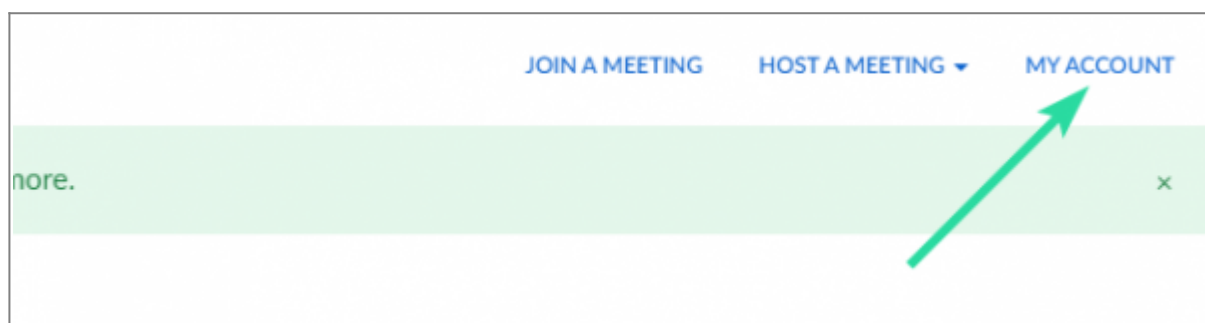

If you try to change your login ID from the desktop client, you'll be redirected to Zoom's official portal. So, we're demonstrating the method of changing your password from the official portal itself. On Desktop client

To access the page from your Zoom desktop client, go to Settings, click on 'Profile,' and hit 'Edit My Profile.' Now, follow step 4 below.

On Web portal

Step 1: Go to Zoom's official website and log in.

Step 2: Click on 'MY ACCOUNT'.

Step 3: Go to 'Profile' and click on the 'Edit' hyperlink in the 'Sign-In Email' section.

Step 4: Enter the new email ID and click on 'Save Changes.'

The screenshot shows the Zoom web interface. On the left, a sidebar contains a 'PERSONAL' section with 'Profile' highlighted in blue and a green arrow pointing to it. Below it are 'Meetings', 'Webinars', 'Recordings', and 'Settings'. The 'ADMIN' section includes 'User Management', 'Room Management', 'Account Management', and 'Advanced'. At the bottom of the sidebar are 'Attend Live Training' and 'Video Tutorials'. The main content area shows the 'Profile' settings. At the top is a placeholder for a profile picture. Below it, the 'Personal Meeting ID' is displayed as '2' with a 'Show' link. A note says 'Use this ID for instant meetings'. The 'Sign-In Email' field contains 'email@astronomy.nl' and is highlighted with a green box and a green arrow. Below it is a password field with dots, also highlighted with a green box and a green arrow. A message says 'Enter your password to change your sign-in email address.' Below the password field is a checkbox for 'I'm not a robot' and a reCAPTCHA logo. At the bottom are 'Save Changes' and 'Cancel' buttons.

The email ID you entered will now be your new STRW Zoom login ID. So use this email address to authenticate to sterrewacht.leiden.zoom.us. You will get several emails from zoom along the way to confirm this change.

Select the Sign In box and you are redirected to the SAML Single Sign-On window you know from other Campus tools. Authenticate with your ULCN credentials.

The image shows the 'Sign in' page of the Universiteit Leiden SAML Single Sign-On system. At the top left is the university logo and name. To the right is the title 'Sign in'. Below this is a light blue box with a message: 'Are you experiencing problems logging in? Please close your browser completely, or clean up all your cookies in the browser and try again.' The main form area has a dark blue header with the text 'Username (Forgotten?)' and 'Password (Forgotten?)'. Below the header are two input fields: the first contains the text 'deuler' and the second contains a series of asterisks. Below the password field is a checkbox labeled 'Remember my username'. At the bottom left of the form is a link 'Activate account?'. At the bottom right is a dark blue 'Login' button with a right-pointing arrow. Below the form area, there is a link 'Login issue?' and a language selector showing the Dutch flag and the word 'Nederlands'.

Once logged in you end up in the usual Zoom Profile page where you can see that your @strw.leidenuniv.nl account is used as the ZoomID.
