

STRW Zoom and UL

Since Januari 22, 2021 the University has a Zoom Business license, currently for Educational purpose only. However, soon the University Zoom License may be used for all communications. Therefore, these two systems STRW and UL need to run side by side for a while.

Unfortunately, Zoom cannot handle the same ID (strw email address) for multiple licenses. Because in the near future the UL Zoom license will be leading, it will hold your STRW email. But since the same email address is connected to the STRW license you need to change that. In fact is is very easy! Since we also own the mail domain @astronomy.nl it is just a matter of changing @strw.leidenuniv.nl into @astronomy.nl.

So you must do the following to make use of both systems and still be able to continue using the STRW Zoom license:

- Change your ZoomID in the sterrewachtleiden.zoom.us licensed environment
- Now make sure you clear your browser cache and cookies (this differs among the different browsers)
- Go to universiteitleiden.zoom.us and create your account there, by just logging in

Change your ZoomID

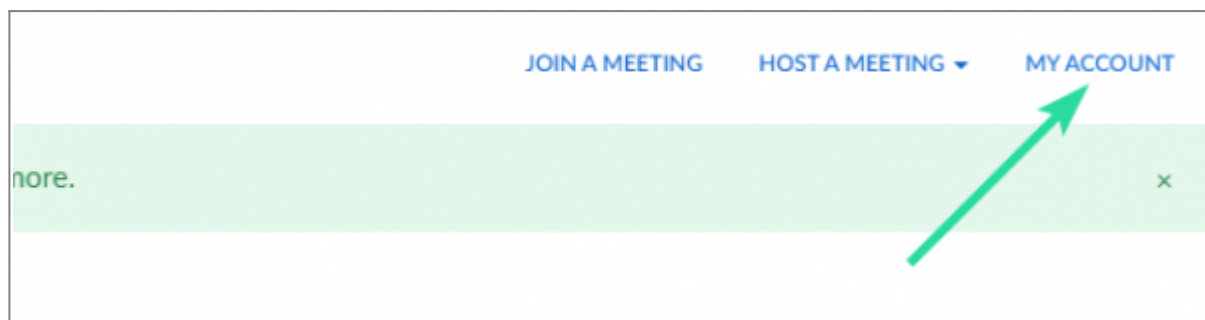

If you try to change your login ID from the desktop client, you'll be redirected to Zoom's official portal. So, we're demonstrating the method of changing your password from the official portal itself. On Desktop client

To access the page from your Zoom desktop client, go to Settings, click on 'Profile,' and hit 'Edit My Profile.' Now, follow step 4 below.

On Web portal

Step 1: Go to Zoom's official website and log in.

Step 2: Click on 'MY ACCOUNT'.

Step 3: Go to 'Profile' and click on the 'Edit' hyperlink in the 'Sign-In Email' section.

Step 4: Enter the new email ID and click on 'Save Changes.'

The screenshot shows the Zoom web interface. On the left, a sidebar contains a 'PERSONAL' section with 'Profile' highlighted in blue and a green arrow pointing to it. Below it are 'Meetings', 'Webinars', 'Recordings', and 'Settings'. The 'ADMIN' section includes 'User Management', 'Room Management', 'Account Management', and 'Advanced'. At the bottom of the sidebar are 'Attend Live Training' and 'Video Tutorials'. The main content area shows a 'Personal Meeting ID' of '2' with a 'Show' link. Below this is a 'Sign-In Email' field containing 'email@astronomy.nl', with a green arrow pointing to it. A green box highlights the email field, the password field (containing dots), and the 'I'm not a robot' checkbox. The password field is also pointed to by a green arrow. The text 'Enter your password to change your sign-in email address.' is displayed between the email and password fields. At the bottom are 'Save Changes' and 'Cancel' buttons. A reCAPTCHA logo is visible on the right side of the form.

The email ID you entered will now be your new STRW Zoom login ID. So use this email address to authenticate to sterrewacht.leiden.zoom.us. You will get several emails from zoom along the way to confirm this change.

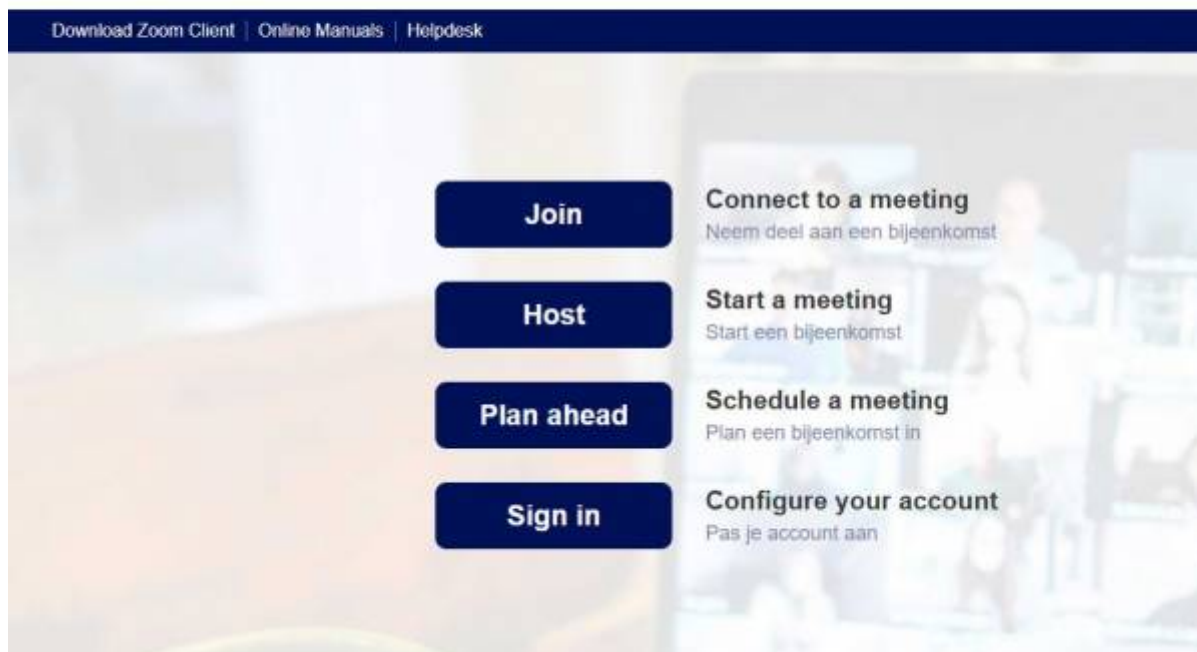

University Zoom site

The sign-in web page for the University Zoom system is at: universiteit.leiden.zoom.us

Universiteit
Leiden

[Download Zoom Client](#) | [Online Manuals](#) | [Helpdesk](#)

Select the Sign In box and you are redirected to the SAML Single Sign-On window you know from other Campus tools. Authenticate with your ULCN credentials.

The image shows the 'Sign in' page of the Universiteit Leiden SAML Single Sign-On system. At the top left is the university logo and name. To the right is the title 'Sign in'. Below this is a light blue box with a message: 'Are you experiencing problems logging in? Please close your browser completely, or clean up all your cookies in the browser and try again.' The main form area has a dark blue header with the text 'Username (Forgotten?)' and 'Password (Forgotten?)'. Below the header are two input fields: the first contains the text 'deuler' and the second contains a series of asterisks. Below the password field is a checkbox labeled 'Remember my username'. At the bottom of the form is a yellow box with the text 'Activate account?' and a dark blue 'Login' button with a right-pointing arrow. At the very bottom of the page, there is a red link for 'Login issue?' and a language selector showing the Dutch flag and the word 'Nederlands'.

Once logged in you end up in the usual Zoom Profile page where you can see that your @strw.leidenuniv.nl account is used as the ZoomID.

The screenshot shows the Zoom web interface. On the left is a sidebar with navigation links: Profile, Meetings, Webinars, Recordings, Settings, Account Profile, Reports, Attend Live Training, Video Tutorials, and Knowledge Base. The main content area displays the profile of Erik Deul. It includes a profile picture placeholder with a 'Change' button, and fields for Employee ID (deuler) and Account No. (7003760953). Below this is a section for the Personal Meeting ID, showing a masked ID (*** ** *486) with 'Show' and 'Edit' links, and a personal link (https://universiteitleiden.zoom.us/j/*****486?pwd=*****). It also shows the Sign-In Email (deu***@strw.leidenuniv.nl) with a 'Show' link and linked accounts. The License Type is 'Licensed' with a 'Meeting' option for 300 participants. The Language is 'English'. The Date and Time settings show 'Time Zone' as (GMT+1:00) Amsterdam, 'Date Format' as mm/dd/yyyy (Example: 08/15/2011), and 'Time Format' as Use 24-hour time. An 'Edit' button is at the bottom right of the settings section.

From this point on all is as you were used to when using your STRW Zoom account.
