

STRW Zoom and UL

Since Januari 22, 2021 the University has a Zoom Business license, currently for Educational purpose only. However, soon the University Zoom License may be used for all communications. Therefore, these two systems STRW and UL need to run side by side for a while.

Unfortunately, Zoom cannot handle the same ID (strw email address) for multiple licenses. Because in the near future the UL Zoom license will be leading, it will hold your STRW email. But since the same email address is connected to the STRW license you need to change that. In fact is is very easy! Since we also own the mail domain @astronomy.nl it is just a matter of changing @strw.leidenuniv.nl into @astronomy.nl.

So you must do the following to make use of both systems and still be able to continue using the STRW Zoom license:

- Change your ZoomID in the sterrewachtleiden.zoom.us licensed environment. (section Change your ZoomID)
- Now make sure you clear your browser cache and cookies (this differs among the different browsers)
- Go to universiteitleiden.zoom.us and create your account there, by just logging in (section

Change your ZoomID

If you try to change your login ID from the desktop client, you'll be redirected to Zoom's official portal. So, we're demonstrating the method of changing your password from the official portal itself. On Desktop client

To access the page from your Zoom desktop client, go to Settings, click on 'Profile,' and hit 'Edit My Profile.' Now, follow step 4 below.

On Web portal

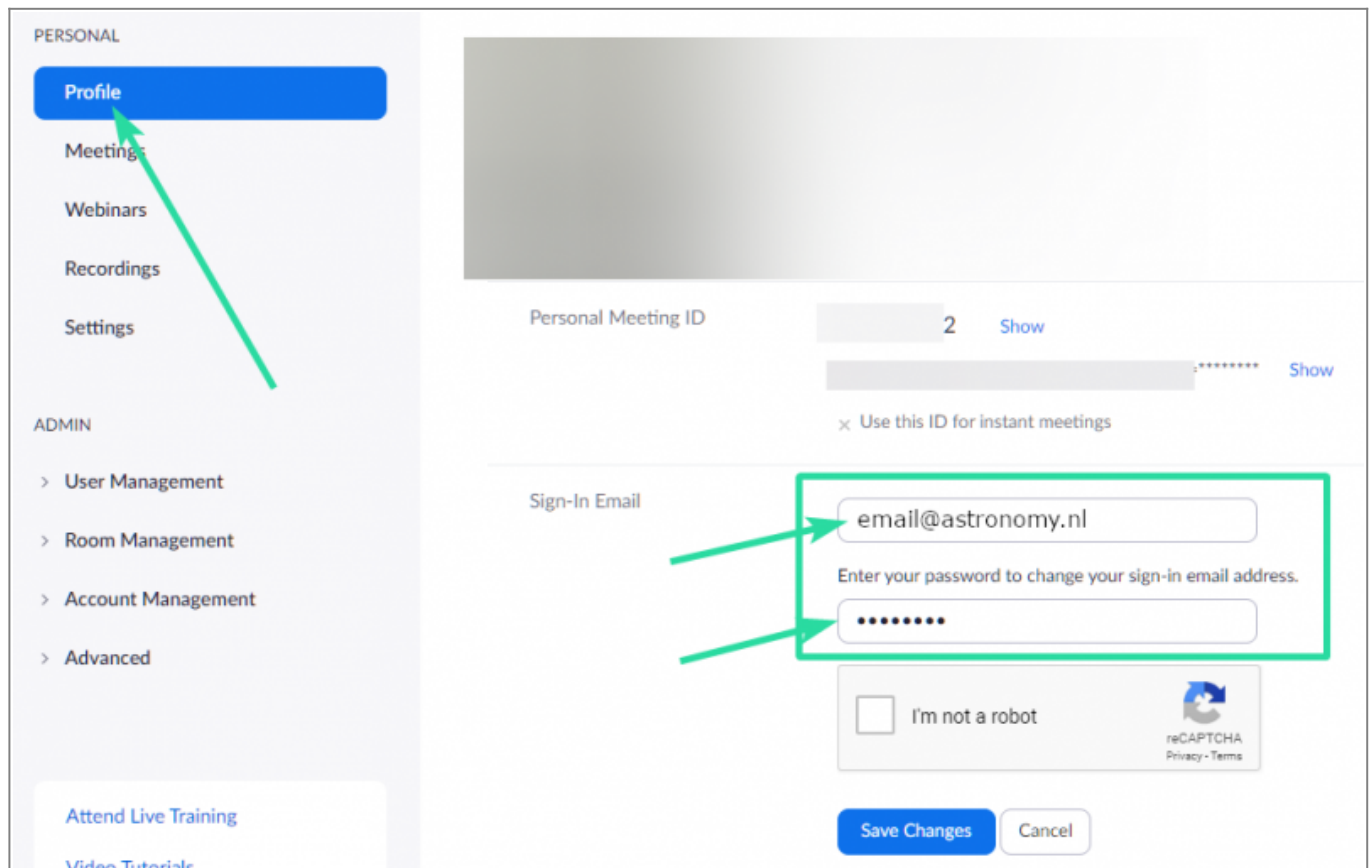

Step 1: Go to Zoom's official website and log in.

Step 2: Click on 'MY ACCOUNT'.

Step 3: Go to 'Profile' and click on the 'Edit' hyperlink in the 'Sign-In Email' section.

Step 4: Enter the new email ID and click on 'Save Changes.'

The screenshot shows the Zoom web interface. On the left, a sidebar contains a 'PERSONAL' section with 'Profile' highlighted in blue and a green arrow pointing to it. Below 'Profile' are 'Meetings', 'Webinars', 'Recordings', and 'Settings'. The 'ADMIN' section includes 'User Management', 'Room Management', 'Account Management', and 'Advanced'. At the bottom of the sidebar are links for 'Attend Live Training' and 'Video Tutorials'. The main content area shows a profile card with a blurred photo. Below it, the 'Personal Meeting ID' is displayed as '2' with a 'Show' link. A password field is partially visible with a 'Show' link. A note says 'Use this ID for instant meetings'. The 'Sign-In Email' section has a text input field containing 'email@astronomy.nl' and a password input field with dots, both highlighted with a green box and green arrows. Below these is a reCAPTCHA checkbox labeled 'I'm not a robot' and a 'reCAPTCHA Privacy - Terms' link. At the bottom are 'Save Changes' and 'Cancel' buttons.

The email ID you entered will now be your new STRW Zoom login ID. So use this email address to authenticate to sterrewacht.leiden.zoom.us. You will get several emails from zoom along the way to confirm this change.

Select the Sign In box and you are redirected to the SAML Single Sign-On window you know from other Campus tools. Authenticate with your ULCN credentials.

The image shows the 'Sign in' page of the Universiteit Leiden SAML Single Sign-On system. At the top left is the university logo and name. To the right is the title 'Sign in'. Below this is a light blue box with a message: 'Are you experiencing problems logging in? Please close your browser completely, or clean up all your cookies in the browser and try again.' The main form area has a dark blue header with the text 'Username (Forgotten?)' and 'Password (Forgotten?)'. Below the header are two input fields: the first contains the text 'deuler' and the second contains a series of asterisks. Below the password field is a checkbox labeled 'Remember my username'. At the bottom of the form is a yellow box with the text 'Activate account?' and a dark blue 'Login' button with a right-pointing arrow. At the very bottom of the page, there is a red link 'Login issue?' and a language selector showing the Dutch flag and the word 'Nederlands'.

Once logged in you end up in the usual Zoom Profile page where you can see that your @strw.leidenuniv.nl account is used as the ZoomID.

The screenshot shows the Zoom web interface. On the left is a sidebar with navigation links: Profile (highlighted), Meetings, Webinars, Recordings, Settings, Account Profile, and Reports. Below these are links for Attend Live Training, Video Tutorials, and Knowledge Base. The main content area displays the profile for Erik Deul. It includes a profile picture placeholder with a 'Change' link, and fields for Employee ID (deulr) and Account No. (7003760953). Below this is a section for the Personal Meeting ID, showing a masked ID (*** ** *486) with 'Show' and 'Edit' links, and a personal link (https://universiteitleiden.zoom.us/j/*****486?pwd=*****). It also shows the Sign-In Email (deu***@strw.leidenuniv.nl) with a 'Show' link and linked accounts. The License Type is 'Licensed' with a 'Meeting' option for 300 participants. The Language is 'English'. The Date and Time settings show 'Time Zone' as (GMT+1:00) Amsterdam, 'Date Format' as mm/dd/yyyy (with an example 08/15/2011), and 'Time Format' as Use 24-hour time. A blue chat bubble icon is in the bottom right corner.

From this point on all is as you were used to when using your STRW Zoom account.
